# ABOUT NATIONAL YOUTH EVENT 2020

## About the United Church of Christ

The United Church of Christ and its nearly 5,000 congregations throughout the country and nearly 1 million members support youth and young adults in their commitment to become spiritual leaders. Learn more about our Youth Ministry at the UCC website. ([www.ucc.org/youth](http://www.ucc.org/youth))

## About NYE 2020

Every four years, the United Church of Christ's National Youth Event (NYE) brings together some 3,000 youth who have completed grades 6-12 to embrace activities centered on faith, leadership, service, and social justice. The much-anticipated NYE 2020 will take place at Purdue University in West Lafayette, Indiana July 22-July 25, 2020. This 4-day event, celebrated as the largest denominational gathering after General Synod, will empower our youth in becoming ambassadors to create a just world for all and live their faith.

**“The [2016] National Youth Event has been an amazing experience. It has given our young people a chance to grow as leaders and to network with other folks around the country and across the UCC and to gain skills for advocacy.”**

Debby Kirk  
2016 Director of Youth and  
Young Adult Ministries, CTUCC

## What happens when we bring some 3,000 youth to Purdue University in July 2020?

These brilliant young people come together to offer solutions for the challenges that are undermining the continuation of our planet, lead and experience transformative worship, and volunteer for service projects that bring about positive change for individuals. Youth will be fully engaged in NYE: offering to lead activities, sing in the choir, play with the band, participate in small group activities, and build lasting friendships.
